

FREE EDUCATOR'S RESOURCES!!

The Barbershop Harmony Society offers a variety of **FREE(!) resources** to all music educators who express interest! All they need to do is go to:

(<https://www.barbershop.org/education/music-educator-resources>)

Check it out! They will find lots of useful information on that webpage:

- A FREE Educators Guide
- FREE Sheet Music
- Invitation to become a Music Education Partner (a \$40 membership offer!)
- YouTube videos of Tags & Warm Ups from HU!
- Information about Grant money available from BHS/Harmony Foundation
- Scholarships for them to attend Harmony University!

The FREE Educator's Packet includes:

- A Music Educator Guide and Songbook which includes the music charts, listed in order of difficulty:
 1. Aura Lee
 2. Let Me Call You Sweetheart
 3. Jingle Bells
 4. Honey/Little 'Lize Medley
 5. Story of the Rose
 6. Alexander's Ragtime Band
 7. Star Spangled Banner
- Included is an accompanying Learning CD, with part-dominant tracks for each arrangement.

Everything in the packet is royalty-free, and music educators may photocopy the sheet music and learning CD's as much as they need for their school's program!

Be aware that BHS members who are not music educators are generally not permitted to receive these materials to pass along to the schools they are contacting. So, you must have the music educators request the materials themselves. Consider printing the attached card to give to your ME's when you visit as a reminder of the information they will receive.

Your LO'L YIH Committee is working to make these materials available to Chapters across our District, but we have not received permission to do so yet.
