

WELCOME!

So, you want to make a difference in the lives of young people?! GREAT!!

- Maybe you've just been elected to serve as your Chapter's VP of Youth in Harmony? CONGRATULATIONS!
- Or, maybe you've just been appointed your Chapter's Youth in Harmony Advocate? WONDERFUL! WELCOME ABOARD!!
- Or, maybe you're just one of those guys who feels a desire to share the love of singing barbershop with a new generation? JOIN THE CLUB! THERE'S LOTS OF US HERE!!

But, now, where do you begin?

We'd suggest you spend some time on the webpages that follow which have been designed to give people – old YIH salts and newbies – some useful information and resources for the task of sharing our wonderful hobby – or is it a **passion?** – for singing 4-part harmony. Our goal is to share the joy of singing barbershop with young people who may not have heard of us – or experienced the joy of singing barbershop – before.

Here you'll find access to:

- The members of the 2019 LO'L Youth in Harmony (YIH) Committee. We're all excited about re-energizing our District for reaching out to young people.
- A few ideas for **GETTING STARTED** to give folks some handles on how to begin reaching out to music educators and developing ways of interacting with young people in meaningful ways.
- A list of some of the **KNOWN YIH EVENTS** that are happening around the LO'L District that you might want to get involved with (if they're in your area) or go to school on (if you're interested in doing something like that). You might also want to check out the other YIH Events around the Country here: <https://www.barbershop.org/events/find-events-near-you>
- There are also some ways you can provide **DONATIONS** to the cause, if you're not ready to give of your time and energy right now. Others will greatly benefit from your gifts of money!
- Finally, we offer some **LINKS** that may prove helpful to you as you seek to connect with others in the Barbershop Harmony Society (and maybe our sisters in SAI and Harmony, Inc.) who have resources and a passion for sharing 4-part harmony with a new generation.

That's what this website is for: to help you do whatever you might be willing and able to do to reach out to young people and pass along your passion for singing barbershop harmony.

Welcome!
