The recipient shall receive the B.O.T.Y. award which shall consist of a special bow tie bearing the letters "LOL BOTY" and the year in which he receives the award together with a lapel pin and a plaque."

B.O.T.Y. COMMITTEE GUIDELINES

- A. PURPOSE:** To recognize one individual from the District that has made exceptional, long standing, unselfish, and devoted contributions to the Land O'Lakes District. This award shall be made on an annual basis and shall serve to give credit and recognition to that individual for his efforts in support of the Land O'Lakes District.

- B. ELIGIBILITY:** Any Barbershopper who holds membership in and is currently active in a Land O'Lakes District Chapter may be considered for the award. Primary consideration should be given to sustained contributions to the District over a period of years, and his current involvement in barbershop activities. Generally, a man will not be considered if he currently holds an important District Office.

- C. PRESENTATION:** The award shall be presented at the Spring District Convention, and may be done by either the immediate past winner or the Committee Chairman. All past winners attending the Convention are strongly urged to be present for the presentation. The winner is to be presented with the BOTY "Tie", lapel pin, and a 9" x 12" wall plaque.

- D. WEARING OF THE TIE:** The "Tie" shall be worn on Saturday at the Spring Convention. This to include the House of Delegates Meeting, District Awards presentation, the BOTY presentation, BOTY Dinner and the Saturday Night Finals Contest. (Members competing in Chorus or Quartets are exempt while wearing their competition uniforms). Any member found not with his "Tie" on shall be "encouraged" to make a contribution to the YIH fund.

- E. RECOMMENDATION COMMITTEE:** A Committee composed of the BOTY Chairman and at least 3 other BOTY members who are currently active in District affairs shall recommend new candidates and to review all candidates. As an aid to the Recommendation Committee, the BOTY Chairman shall maintain a status of all qualified candidates. The Recommendation Committee shall use this along with other letters of recommendation to determine the top most qualified candidates.

The fact that a nominee has, or has not, been inducted into the Land O'Lakes Hall of Fame has no bearing on his ability to be nominated for District BOTY. However, he will not be considered for a period of 5 years after receiving the Hall of Fame award.

In determining candidates the Recommendation Committee will review the activities of each candidate.
