

# Take The Coaching to Chapters

## Land O'Lakes District

### Objective:

Provide coaching to those Choruses who:

- a. Did not participate in Division contest in previous year or years.
- b. Participated in Division contest in previous year or years but did not qualify for the District contest.
- c. Choruses who want to improve their performance package or basic repertoire.

### Division VP/Chapter Counselor role:

1. Identify chorus(s) for coaching based on the above criteria.
2. Contact Chapter Music Vice President and/or Chorus Director to explain the TTCC program and that their chorus is eligible for a free coaching session.
3. Determine available date(s) for the coaching (have more than one date). Note, the best time for a coaching session would be about 3-6 weeks prior to their division contest or annual show.
4. Coach - It is important that the coach selected be familiar with the chorus and the director. Judd Orff will assist in selection of the coach for each chorus. It is possible a chorus may want a certain coach, however, it must be recognized this may not be possible due to availability and/or stipend required as described below.

**NOTE:** It is preferred that the coach live within a distance from the chapter that he can return home the same evening.

### Expenses

Expenses for the coach are paid by the District Treasurer and are limited to two (2) coaching sessions in a calendar year. Mileage is at standard District rate of \$ .25 per mile. The District does NOT pay a stipend for the coach but will reimburse expenses incurred for the evening such as a meal en-route or with the director prior to the coaching session.
