

# **WELCOME**

**Once again the Fox Valleyairs invite you to come and enjoy The magic of our Fox Cities. Come early and visit the many interesting attractions we offer. The Barlow Planetarium, the Bergstrom-Mahler Museum, The Pain Arts Center, Houdini Historical Center, just to name a few.**

**You can shop our mall or our downtown and you are sure to find something of interest. We have a great list of hotel/motels for you to relax in while you're here and some of the finest Supper Clubs and Restaurants in the State. Top that off with our quartet and chorus contest in the Performing Arts Center and you have an LOL District Convention you won't want to miss.**

**The chapter guys and gals are working hard to make this another great convention, but we can't do it without you.**
