

2010

LOL LEADERSHIP ACADEMY
SPECIAL OFFER

Most, if not all, of the Land O' Lakes Chapters have held the election of their 2010 Board of Directors.

In an effort to receive your registrations as early as possible we are revising our payment policy:

You will now have the option to submit your registrations without the requirement of sending your payment at the same time. Your full payment will be due no later that Saturday, December 28, 2009.

Of course we will be happy to receive your full payment with your registrations.

You can also make partial or full payments during the time leading up to December 28th.

We are hoping that this revised payment policy will be an incentive to submit your registrations now. You can always revise your registration requirements by contacting Tyler Smith.
