This booklet is designed to register up to nine (9) students from your chapter. Each student has an associated Student Number (1 - 9) which is used to identify the student for class selections.

You must maintain the same number for a student throughout the booklet. Each class has a set of nine boxes to the right of the class title, numbered 1 - 9, that will allow choosing that class for that student by placing an X on the box under the appropriate student number. Do not choose more than one class for the same student for the same time period.

**Payment Instructions:**

The cost per student is \$75. If you submit your registration and check prior to December 15<sup>th</sup>, 2007, the cost per student will be at a reduced "earlybird" rate of \$65 each. Your check must accompany this Registration Booklet.

Make check payable to "LOL District" and mail to:

This Registration Booklet is much more elaborate than previous registration forms. This is necessary because of the extreme flexibility we are offering in class selections. If you have any questions regarding this please contact Tyler Smith.

NOTE; This Booklet is also available on the LOL District website <http://loldistrict.org/events/schools/2008cots.htm>
