

TWINS GAME

BARBERSHOP SINGOUT

AUGUST 20, 2017

Gentlemen – I think you all received an earlier notice with the details. If not, a summary:

1. Sunday, Aug 20th 11:45 AM call around the corner to the right as you face Gate 6.
2. Cost \$28 (not cheap but actually quite a discount from the posted price for this game)
3. Anthem from center field
4. GBA and TMOTTBG from our seats in the “Overlook” section of right field during 7th Inning Stretch

New this year are Learning Tracks for TMOTTBG – too much of a gang sing for too long. Thus I need to know soon who is coming so I can send out to individuals or choruses.

Also important is the drop dead date of July 24 – money in my hands, please. Checks can be made out to the Minnesota Twins or GNU or Ken Slinde. If made out to Twins IT IS MANDATORY that I have them in my hands by the 24th as I will be buying the next day – so please plan ahead. Thus the truly safe bet is either GNU or me.

The reason for all this intensity is not only to get the LTracks out. 1) I will be competing in Vegas with GNU between 7/2 and 7/9. 2) My wife and I will be going to Denver from 7/14 to 7/23. 3) I am getting a total replacement knee on 7/28. So please spread the word and get back to me with LTrack needs (I do NOT need \$\$ to send out LT).

Thanks, everyone. To whet your appetite:
